

**GAP ANALYSIS  
ACTION OVERVIEW STATEMENT  
2020/2021  
GREEN GATES ACADEMY**

Children and young people across the country have experienced unprecedented disruption to their education as a result of coronavirus (COVID-19). Those from the most vulnerable and disadvantaged backgrounds will be among those hardest hit. In August 2020, the government announced £1 billion of funding to support children and young people to catch up. This includes a one-off universal £650 million catch-up premium for the 2020 to 2021 academic year to ensure that schools have the support they need to help all pupils make up for lost teaching time.

<b>GAPS</b>	<b>PLANNED ACTIONS</b>	<b>PREDICTED IMPACT / TIMESCALE</b>
<p><b><u>Reading/Writing/Maths</u></b></p> <p>Pupils to reduce any gaps in learning within reading/writing and maths due to lost learning time during March-July 2020 due to COVID 19.</p> <p>Each individual has targeted interventions identified from pre assessments, baselines tests in reading, spelling and maths, SAT papers and CAT4 assessments. These are all personal and unique to each individual child.</p>	<p>There are a range of interventions already in place for children to access support to reduce the gaps and increase progress.</p> <p>Improving access to these interventions by having further access to IT for all pupils throughout the whole school day would significantly increase access to IT by 50%.</p> <p>Therefore allowing all pupils to have access to IT through the school day, which in turn would provide them with more opportunities to access targeted interventions throughout the school day. Many of the interventions that pupils access are on line.</p> <p>The costs for this would be:</p> <p>30 I pads(I pad cost with case £280)(some I pads/computers in school presently) - £8400 Cost of licences £1000</p> <p><b>Total costs £9400</b></p>	<p>To improve access to targeted interventions for all children. This will reduce any gaps to learning and improve pupil progress in reading/writing and maths. Therefore giving the children more a opportunities and access to learning which they enjoy.</p>
<p>In order to support children with their learning there are a range of interventions that are in place to support children to narrow any gaps.</p> <p>If staff access to IT was increased in the classroom there would be more opportunities to manage, deliver and monitor targeted support to children throughout the day</p>	<p>To purchase 6 I pads, (I pad cost with case £280) one for each member of teaching staff</p> <p><b>Total costs £1680</b></p>	<p>PSA to be able to access professional meetings/Access to school systems Access to CPOMS all of which will support access to external agencies and support if the PSA is required to work from home due to covid19.</p> <p>Therefore prevention any disruption to safeguarding and support for pupils and their families.</p>

<p>To purchase a laptop for the PSA to support parents which any issues, access to school systems/access CPOMS and carry out CP/CIN meetings through teams. communicate any issues with the teacher/the parent/carer and any outside agencies and professionals</p>	<p><b>Total cost of laptop\case £480</b></p>	<p>PSA is able to access all tools/information at home in order to provide effective support for children and their families with support from external agencies.</p>
<p>Improve the communication of learning developments with parents/carers</p>	<p>Purchase of parent/carer communication tool <b>Total costs £340.00</b></p>	<p>Improved communication with parents/carers to communicate in relation to the children working at home which would be personalised to their individual child</p>
<p>Develop pupil confidence in maths in relation to place value, addition, subtraction, multiplication and division</p>	<p>Purchase of White Rose Maths parent learning packs <b>Total costs £100</b></p>	<p>Pupils are able to follow the text book scheme in maths at home whilst not attending school to ensure a smooth transition back into school. This will be supported by user friendly parent carer packs to support the learning at home</p>

<p><b>Total Budget:</b></p>	<p><b>£12,000</b></p>
<p><b>Total Spend to date:</b></p>	<p><b>£12,000</b></p>
