

Pupil Premium Strategy Statement

This statement details our school's use of pupil premium (and recovery premium for the 2024 to 2025 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Green Gates Academy
Number of pupils in school	54
Proportion (%) of pupil premium eligible pupils	
Academic year/years that our current pupil premium strategy plan covers	1 year
Date this statement was published	25.09.24
Date on which it will be reviewed	26.05.25
Review and Recommendations for approval	Academy Council
Statement authorised by	Standards Committee
Pupil premium lead	Melanie Lyons- Principal
Governor / Trustee lead	Rosemary Nicholls

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£50,320 (estimated)
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£50,320

Part A: Pupil premium strategy plan

Statement of intent

What are your ultimate objectives for your disadvantaged pupils

At Green Gates Academy we aspire to have all pupils:

- Access an ambitious and relevant national curriculum so that all pupils are better prepared for their next stage of education.
- Ensure that all pupils make academic progress but also further develop emotional resilience, form positive relationships, and know their rights as an individual.
- Ensure that prior delays and gaps in learning are addressed to ensure a good foundation to further knowledge and skills.
- That there is no distinguishable gap between our pupils receiving pupil premium and those that do not.

How does your current pupil premium strategy plan work towards achieving those objectives?

- The funding will provide the school the opportunity to purchase further staff time to deliver a range of interventions in class at various opportunities during the school day.
- Support children with dyslexia traits to increase engagement and achievement in learning.
- Provide the costs for a play therapist to conduct play therapy with targeted children who have experienced trauma.
- Provide funding to seek professional occupational therapist support, to support children with their emotional regulation and their development of fine motor skills to support with the development of their handwriting.
- Provide speech and language support to develop a range of communication strategies for our pupils with autism and pupils with speech and language difficulties.
- Additional teaching assistant staff support will create smaller group sizes and allow for targeted, individualised learning.
- Following reviews from the EEF/DFE, our focus is to continue to embed phonics and reading opportunities to ensure all pupils have a solid phonetic base to progress their reading and spelling skills.

What are the key principles of your strategy plan?

- Provide all pupils with personalised interventions to ensure all pupils can catch up towards national expectations to prepare them for the next stage of their lives. This will be delivered during Green Gates Gets Better Time each day to support with reading/writing and maths.

- Support for children with dyslexia to increase engagement and achievement in learning.
- Provide all children with OT support to help support their emotional regulation throughout the day.
- Provide the costs for a play therapist to conduct play therapy with targeted children who have experienced trauma.
- Provide phonics and reading opportunities to ensure all pupils have a solid phonetic base to progress their reading and spelling skills.
- Provide speech and language support to develop a range of communication strategies for our pupils with autism and pupils with speech and language difficulties.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	All pupils make strong progress with reading. Provide phonics and reading opportunities to ensure all pupils have a solid phonetic base to progress their reading and spelling skills. All year 6 pupils to achieve their CAT 4 target/DFE target in reading or better at the end of key stage two.
2	All pupils make strong progress with maths. All year 6 pupils to achieve their CAT 4 target/DFE target in maths or better at the end of key stage two.
3	All pupils make strong progress with writing. All year 6 pupils to achieve their CAT 4 target/DFE target in maths or better at the end of key stage two.
4	Provide play therapy for pupils to regulate and manage their emotions to break down barriers to learning and accessing next steps.
5	All pupils to access OT support to assist with regulation to ensure all learners are ready for learning

Intended outcomes.

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>All pupils make strong progress with reading.</p> <p>Provide phonics and reading opportunities to ensure all pupils have a solid phonetic base to progress their reading and spelling skills.</p> <p>All year 6 pupils to achieve their CAT 4 target/DFE target in reading or better at the end of key stage two.</p>	<ul style="list-style-type: none"> • All pupils achieve their targets in national tests in reading. • Pupils make good/outstanding progress in teacher assessments for reading. • All trust KPIs are met in reading. • All pupils have a solid phonetic base to progress their reading and spelling skills. • Support for parents/carers to support their child with strategies that have been recommended by teaching staff for pupils to be able to develop their reading/phonetic base.
<p>All pupils make strong progress with maths.</p> <p>All year 6 pupils to achieve their CAT 4 target/DFE target in maths or better at the end of key stage two.</p>	<ul style="list-style-type: none"> • Most pupils achieve their targets in national tests in reading. • Pupils make good/outstanding progress in teacher assessments for reading. • All trust KPIs are met in maths. • Support for parents/carers to support their child with strategies that have been recommended by teaching staff for pupils to be able to develop their maths skills
<p>All pupils make strong progress with writing.</p> <p>All year 6 pupils to achieve their CAT 4 target/DFE target in writing or better at the end of key stage two.</p>	<ul style="list-style-type: none"> • Most pupils achieve their targets in national tests in writing. • Pupils make good/outstanding progress in teacher assessments for reading. • All trust KPIs are met in writing. • All pupils have a solid phonetic base to progress their reading and spelling skills. • Support for parents/carers to support their child with strategies that have been recommended by teaching staff for pupils to be able to develop their writing/phonetic base.

Provide play therapy for pupils to regulate and manage their emotions to break down barriers to learning and accessing next steps.	<ul style="list-style-type: none"> • 100% engagement of pupils with play therapy. • Reduction in barriers that prevent pupils emotionally accessing the curriculum. • Support for parents/carers to support their child with strategies that have been recommended by the play therapist.
All pupils to access OT support to assist with regulation to ensure all learners are ready for learning	<ul style="list-style-type: none"> • Pupils targeted with regulation interventions have made progress with their self- esteem and engagement with learning. (Future Steps outcome report) • Pupils with SEMH difficulties can manage their behaviour better and reduce their barriers to learning. Pupils are emotionally ready to learn and make strong progress.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £1,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Further phonics training (twilight training for all staff costs £1000)	EEF- Reading Comprehension Strategies To support with extended writing in school for staff knowledge and skills	1,4

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £34,320

Activity Do you need to detail activities rather than targets?	Evidence that supports this approach	Challenge number(s) addressed
<p>A range of interventions and staff support for children to improve their reading /phonic skills and confidence. This will include access to on-line tools for example nesy, spelling shed and daily reading sessions and comprehension skills/phonics during Green Gates Gets Better time.</p> <p>(staffing costs/costs for interventions/costs for books/reading schemes) £11,440</p>	<p>EEF- Teaching Assistant Interventions EEF- Mastery Learning EEF Phonic</p> <ul style="list-style-type: none"> • GL assessment outcomes • Magic Memory intervention outcomes • Dyslexia screening outcomes • Spelling Shed outcomes. • Nessie outcomes • Green Gates Better Intervention outcomes • Pupil/parent questionnaire feedback • Follow up interventions/support during a lesson 	<p>1</p>
<p>A range of interventions and staff support for children to improve their maths skills. This will include access to online tools for example times table rock stars, Numbots and daily maths sessions during Green Gates Gets Better time.</p> <p>(staffing costs/costs for interventions £11,440)</p>	<p>EEF- Teaching Assistant Interventions EEF- Mastery Learning</p> <ul style="list-style-type: none"> • Times Table Rock Stars intervention outcomes • Numbots intervention outcomes • GL assessments outcomes • Green Gates Gets Better Intervention outcomes. • Follow up interventions/support during a lesson. • Pupil/parent questionnaire feedback 	<p>2</p>
<p>A range of interventions and staff support for children to improve their extended writing skills and handwriting skills. This will include access to online tools for example nesy,</p>	<p>EEF- Teaching Assistant Interventions EEF- Mastery Learning EEF- Mentoring EEF- One to One Tuition</p> <ul style="list-style-type: none"> • SPAG intervention outcomes. • Nesy intervention outcomes 	<p>3</p>

spelling shed, SPAG interventions and Earth Handwriting programme during Green Gates Gets Better time. (staffing costs/costs for interventions £11,440)	<ul style="list-style-type: none"> • Earth handwriting programme outcomes • Green Gates Gets Better Intervention outcomes. • Follow up interventions/support during a lesson 	
--	---	--

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £15,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Provide play therapy for pupils to regulate and manage their emotions to break down barriers to learning and accessing next steps. (total cost £12,000, for costs of a play therapist)	EEF – Improving behaviours in schools guidance. EEF – Behaviour interventions Play therapy session to support children that have suffered trauma	4
Provision of occupational therapy and associated equipment. (total cost £3,000 towards costs of an OT)	EEF- Parental Engagement EEF- Individualised Instruction EEF- Behaviour Interventions EEF – Self regulation <ul style="list-style-type: none"> • Sensory home programme for regulation of emotions • Class sensory programmes Class regulation programmes	5

Total budgeted cost: £50,320

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

Quality of Education

Costs for Nessie (£300)

Costs for spelling shed (£200)

Total £10,851.33

Behaviour and Attitudes

4. Support for pupils with SEMH difficulties to help pupils manage their behaviour and overcome any barriers to learning.

- 8 pupils have home programmes in place for sensory regulation.
- 10 OT assessments have been completed in school.
- All classes have a sensory regulation programme in place.
- Personalised programme created and implemented in Pine Class.
- OT staff have continued to work in school during the whole academic year.
- Eleven pupils and fully engaged with play therapy.

- Play therapy staff have continued working in school during the whole academic year.
- Play therapist has provided training for staff in school to support trauma and bereavement. Develop support for children with attachment difficulties so they can improve their engagement in learning.
- Groups identified through internal data – wide range of attainment considered.
- Regulation activities to be tailored to meet the needs of the individual pupils.
- Pupils targeted with regulation interventions have engaged positively with interventions.
- Pupils targeted with regulation interventions have made progress with their self-esteem and engagement with learning. (Future Steps outcome report)

Overall costings

staffing costs/costs for interventions

Play therapist £12,000.

Occupational therapist £3,000

Total £15,000

Externally provided programmes.

Detailed below are the names of any non-DfE programmes that were purchased in the previous academic year. This information has been included to help the Department for Education identify which ones are popular in England.

Programme	Provider
Play therapy	ABC
Occupational therapy	Future Steps
