

Green Gates Academy PE and Sport Premium Funding Report 2023-24

What is PE and Sport Premium funding?

The government is providing funding per annum to provide substantial funding for primary school sport. The Departments are jointly providing the funding for Education, Health, and Culture, Media and Sport, with the money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

Objective of PE and Sport Premium

Green Gates Academy will receive £16,370 Sport Funding from the Government for 2023-24

Staff at Green Gates recognise the contribution of PE to the health and well-being of our children. In addition, we recognise that an outstanding PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of children.

Green Gates Holiday Clubs aims to provide our pupils with a range of sporting experiences that they wouldn't necessarily have in school. For instance soft play, swimming, archery, accessing parks and local leisure facilities

We also run a range of after school clubs and lunchtime clubs where children access a range of PE activities, which include swimming for leisure, multi sports, fencing, walking, football etc.

We want to ensure that our pupils can access the best quality resources and by providing sporting opportunities during the holidays, we are also able to support our pupils and their families, as well as encourage a healthy lifestyle.
