## What is PE and Sport Premium funding?

The government is providing funding per annum to provide substantial funding for primary school sport. The Departments are jointly providing the funding for Education, Health, and Culture, Media and Sport, with the money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

PE and Sport Premium Funding Awarded		
Number of pupils on roll	50	
Jan 2024		
Funding	£16,470	
Objective of PE and Sport Pren	um	

Green Gates Academy will receive £16,470 Sport Funding from the Government for 2024-25

Staff at Green Gates recognise the contribution of PE to the health and well-being of our children. In addition, we recognise that an outstanding PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of children.

Green Gates Holiday Clubs aims to provide our pupils with a range of sporting experiences that they wouldn't necessarily have in school. For instance soft play, swimming, archery, accessing parks and local leisure facilities

We also run a range of after school clubs and lunchtime clubs, enrichment activities where children access a range of PE activities, which include dance, football, horse riding and access to community leisure facilities

We want to ensure that our pupils can access the best quality resources and by providing sporting opportunities during the holidays, we are also able to support our pupils and their families, as well as encourage a healthy lifestyle.

We are using our Sports funding to:         ✓ Extend the range of sporting resources available         ✓ Extend the range of activities available during school holidays         ✓ Create opportunities for pupils to experience a range of sports         ✓ Provide opportunities for pupils to be taught by specialist coaches         Number of Year 6 Pupils completed their national curriculum swimming requirements in year 6 2022-23         Swimming was only an option for children during the summer term         What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?       53%         What percentage of your current Year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)?       53%         What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?       53%         Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?       No         Pupils in year 5/6 will be attending swimming lessons every week on a Monday afternoon for 2023-24       21 throughout the total year         Record of Sports Funding Predicted Spending 2023-24       Predicted Outcomes       Predicted Outcomes         Resources to encourage ot sports       \$3,000       > To extend the range of interested in PE.       Pupils will be more interested in PE. <th></th> <th></th> <th></th> <th></th>
