Information regarding year two pupil

- Our only year 2 pupil joined Green Gates in Feb 2019. He is a looked after child. He was not attending school his previous school and he had a home tutor coming into his home for one hour three times a week. He now attends Green Gates on a full-time basis with his attendance now standing at 100%. His family also highlight that since starting Green Gates he is much more settled at school. In his pupil questionnaire he stated that he enjoys coming to school. This child joined is on entry with baselines of working at the end of the early years' framework.
- At the end of year 2 he has now moved into the year one curriculum and making good progress overall.
- In relation to his phonics ability when he first joined us, he achieved 10 marks in the phonics baseline. In the final phonics screening he achieved 24 marks. (national expectations are 32). This pupil has made progress towards reaching national expectations for his phonics; however, school will continue working towards national expectations with further interventions to support his progress.
